The screenshot displays three discount cards at the top: a \$150 off card (150 pts), a \$100 off card (100 pts), and a \$50 off card (50 pts). Below the cards is a navigation bar with a search bar, 'Recently Added', 'Wishlist', and a 'Cart' icon with a '1' notification. A category menu includes 'Hampers & Gifts', 'Gift Cards', 'Electronics', 'Tools & Garden', 'Sports & Outdoors', 'House & Home', 'Personal & Leisure', 'Kids', 'Charities', and 'Getaways & Experiences'. The breadcrumb trail reads 'Home / Gift Cards / Pods Cards / PodsAlliance %24100'. The main product page for the 'PodsAlliance \$100' card (SKU: PODSA100) shows the card image, the title 'PodsAlliance \$100', the subtitle 'PodsAlliance Cards', and the points value '100 pts'. The quantity is set to 1. The 'ADD TO CART' button is highlighted with an orange circle, and the 'ADD TO WISHLIST' button is visible below it.

4. Choose the discount card available to redeem based on your points balance, and then proceed to checkout.
